

# Yes! We are open

For the health, safety and well-being of our customers and our team, we are doing business a little differently around here.

## ORDERING:

We are still taking digital requests for printing, laminating and binding. You are welcome to call to discuss your job. All orders must be submitted via email:

**printing@ccg.asn.au**

When we receive your order, we will let you know the price and arrange a collection time.

## PAYMENTS:

Payments will only be accepted by card. Pre-paying over the phone is very much preferred if at all possible: **5623 6999**

## COLLECTION:

When you arrive to collect your order, please phone us on 5623 6999 and we will meet you at the door. Please be sure to maintain a safe social distance.

Thank you helping us make our work as safe as possible.
