

PHILANTHROPY PROSPECTUS
**INVEST IN
POTENTIAL**

Community College Gippsland (CCG) has been serving the learning community for over 40 years as a not-for-profit charity registered with the ACNC and is also endorsed by the ATO as a Deductible Gift Recipient (DGR). CCG operates a Registered Training Organisation (RTO) and an independent specialist school, ECG Secondary College.

We recognise that not everyone has a positive and seamless educational journey. When you are faced with challenging times in life, it takes courage, commitment and support to navigate through adversity.

CCG provides a sense of belonging for students who need more than just a place of learning.

YOUR GIFT CAN CHANGE A LIFE FOREVER

It calls for access to various resources to do well while studying. Some students find these essential resources out of reach, especially for those who may be living out of home or making their way without family support. Transport, classroom materials, trade equipment, books, excursions and fees all bear a cost that many cannot meet.

With your help, we can provide a fresh start for these students to strive for success in their studies.

You can enable these determined learners to re-engage in a learning community to harness their potential and receive the support they need to succeed.

Your contribution can give a student the tools necessary to maximise their life opportunities with confidence, knowing that someone cared enough to help in paving their way.

IMPACT OPTIONS

Support a student wellbeing initiative

Our student wellbeing initiatives recognise the diverse challenges faced by students. Your gift goes a long way to seeing students overcome challenges and break down the barriers to education.

Visit www.ccg.asn.au/giving to help us to break down the barriers of our students.

Sponsor a program, project or award

Sponsorship benefits both, our students and sponsors. We can tailor benefits to help meet your objectives and your investment helps us to build a stronger and more resilient community.

Visit www.ccg.asn.au/giving to view our current packages.

Fund a scholarship

Not every student has the resources to continue education or gain employment after leaving school. Funding a scholarship helps students to aspire to furthering their career goals. Together, we are supporting their vision for a better tomorrow through scholarship support.

Visit www.ccg.asn.au/giving to learn how you can support a student's career next steps.

Create a legacy

Community College Gippsland was funded by community for community and since the 1970's has relied on a community that cares. Create a legacy by leaving a bequest, or partnering with us to ensure that we continue to maintain a growing presence in our region to help our young people thrive.

Let's have a conversation about your legacy, email us at friends@ccg.asn.au

INVEST IN POTENTIAL

Community College Gippsland (CCG) has been serving the learning community for over 40 years as a not-for-profit charity registered with the ACNC and is also endorsed by the ATO as a Deductible Gift Recipient (DGR). CCG operates a Registered Training Organisation (RTO) and an independent specialist school, ECG Secondary College.

Not everyone has a positive educational experience at school. When you have had a challenging time in life, it takes courage, commitment and support to do well at school.

ECG Secondary College offers a sense of belonging for students who need more than just a place of learning.

Why ECG Secondary College?

We provide practical learning support to students through our school. We aim to ensure that education is within reach for everyone. Our programs have helped many students from various backgrounds to improve their lives, fostering a stronger and more vibrant community.

We are dedicated to nurturing young minds who need the right environment to thrive from a personalised approach to learning that caters to individual goals and motivation.

Our approach and style are to create a safe and engaging environment for young people who find their current learning environment uninspiring.

Why support us?

By supporting us, you are investing in:

- **Access to education:** your sponsorship helps us provide resources and support for these students to re-engage in education.
- **Fostering local talent:** your support directly contributes to developing a skilled and knowledgeable workforce.
- **Building a resilient community:** you can be a part of a team that enhances wellbeing and empowers our community to thrive.

HOW YOU CAN HELP

Contribute to one of the following initiatives to invest in the potential of the next generation.

Sensory spaces

A new Outdoor Sensory Space will provide students an additional resource in times of anxiety or distress to:

- Have a safe space to retreat
- Recover and regain composure
- Self-regulate and self-soothe
- Connect with nature
- Engage in different activities

\$4000 is needed to fund the project for Warragul campus, help us reach our goal.

Start-up kits

Start-Up kits are designed to provide students with financial assistance of \$500 to support them to meet their goals in:

- Work readiness
- Community connection
- Mental wellbeing

Healthy foods program

There are strong links between eating fresh foods with improved wellbeing. With this in mind we are implementing a healthy foods initiative in 2024.

We are calling for donations towards:

- Fruit donations for all campuses
- Ready-made meals: healthy lunches and take-home dinners
- Nutrition education

Scholarships

Not every student has the resources to continue education or gain employment after leaving school. Funding a scholarship helps students to aspire to furthering their career goals. Together, we are supporting their vision for a better tomorrow through scholarship support.

CHANGE A LIFE FOREVER

Donations over \$2 are tax-deductable. Visit www.ecg.vic.edu.au/giving or scan the QR code to learn how your gift can make an impact.
